

# #OnlineSafetyAtHome

From Thinkuknow

Last week, we were told that 'Thinkuknow.co.uk' were working hard to create a package to help schools and parents to support children and their families over the coming weeks and months. It is with great pleasure that today, they are launching #OnlineSafetyAtHome.

The second **#OnlineSafetyAtHome** pack is now available for parents and carers.

The school will receive a fortnightly #OnlineSafetyAtHome email with new home activity packs to share with parents and carers. Each pack will contain simple 15-minute activities parents can do at home with their child using our Thinkuknow resources.

Download your first pack for:

- 4-5s
- 5-7s
- 8-10s
- 11-13s
- 14+

You are able to access their new parents and carers article and downloadable helpsheets to help support your child online while they are at home.

These set out things they can do to help keep your child safe and signpost to key resources and organisations.

New articles to help families through social distancing will be published regularly in the coming weeks and months.

You are also able to look at the Parent Info's latest article on looking after your family's mental health when you're stuck indoors.

They will be using #OnlineSafetyAtHome to highlight other new Thinkuknow content, so in-between emails, please check out our Twitter and Facebook.

For any further advice or to share feedback on their new packs, get in touch with them at [ceopeducation@nca.gov.uk](mailto:ceopeducation@nca.gov.uk)
