### Step 1:

The first time the My Ed app is run you will be asked to connect to The Appleton School and to link to your child's details. To connect search The Appleton school

### Step 2:

As you enter The Appleton School, the search will auto find the school and allow you to click SELECT.

### Step 3:

When you have connected to The Appleton School, you will be required to create a new account.

Please enter your details as requested.

Your Mobile Number and Email Address are those that are registered with the Academy.

When your details are entered click Link Account

### Step 4:

Once Link Account has been clicked you will receive a text message containing your security code.

Please enter the code into Security Code on the MyEd app and click Create Account.

If the code has not arrived after 5 minutes please click retry to resend code.

### Step 5:

When your details have been entered and your account confirmed, the MyEd app will load The Appleton School App and it's content.

### Step 6:

The first time you run the app, please navigate to the Settings and Set up a Pin Code for security reasons.
