Achieving Excellence

Phase 3 Home Study pack 27th April-8th May

Dear Parent / Guardian,

Thank you for all your support to date with our home learning programme.

Please find below a work schedule we have produced for students, to help provide a structure to their day. We highly recommend students have a routine that they follow each day, which can of course be adapted to your child's individual needs.

Time	Theme	Activity
9.00 – 9.30	Physical Wellbeing	Practical
9.30 – 9.40	Break	
9.40 – 10.40	Mathematics	Topic based
10.40- 11.00	Break	
11.00- 12.00	English	Topic based
12.00- 13.00	Science	Topic based
13.00- 13.45	Extended Break	
13.45- 14.45	Further Subjects/ Personal Development	Topic based

We are very keen to support students further at home in any way we can. Below is a list of online resources we recommend, for a wide variety of subjects. Students can independently refer to these websites for further learning, in addition to the work already set on the school's website by their subject teachers, this will be updated fortnightly. The next batch of work will available from Friday 20th April. This will be accessed by going to our school website and selecting the Student menu, followed by "Work From Home" and then "Phase 3". Please can students keep their work safe at home, ready to bring into school when we re-open.
