

10th July 2026

Dear Parents and Carers,

Warm Weather Arrangements – Monday 13th July to Friday 17th July

With the current spell of warm weather continuing and reviewing the forecasts for next few days, we have carefully considered the wellbeing and comfort of our students while they are in school.

To help students remain as comfortable as possible during this period, we will continue to allow all students to attend school **in their approved school PE kit or their regular Appleton School uniform with school shoes from Monday 13th July until Friday 17th July inclusive.**

Please note that students should not be wearing a mix of their regular Appleton School uniform with their PE trainers and should not substitute for any other non-school uniform clothing items. We ask parents and carers to ensure that students arrive wearing the correct PE or school uniform throughout this period.

In addition, we would appreciate your support in ensuring that students:

- Bring a refillable water bottle to school each day.
- Apply sun cream before arriving at school where appropriate.
- Wear a hat when outdoors during break and lunchtime if they wish.
- Continue to follow staff instructions regarding staying hydrated and making use of shaded areas where possible.

We will continue to monitor the weather forecast closely and will review these arrangements should conditions change. If any further adjustments are required, including curriculum adaptations, we will communicate these with families as soon as possible.

Thank you for your continued support and cooperation.

Yours faithfully,

Ms S. Cox
Headteacher
