

Dear Parents and Carers,

1st June 2026

As we return for the final part of the school year, I would like to extend a warm welcome back to all our families. We hope you enjoyed a restful break and are ready for the important weeks ahead.

We now enter the **remaining seven weeks of the academic year**, a period that is crucial for consolidating learning, completing key curriculum content, and preparing pupils for the transition into their next stage. These final weeks play a significant role in ensuring that every child finishes the year with confidence, security, and strong academic foundations.

For this reason, we would like to place particular emphasis on the importance of **excellent attendance and punctuality** during this time. Consistent attendance over the next seven weeks will enable pupils to:

- Maintain continuity in their learning
- Fully engage with end of year assessments and activities
- Strengthen the knowledge and skills they have developed throughout the year
- Enter the next academic stage feeling prepared and supported

We kindly ask for your continued partnership in ensuring that your child attends school every day and arrives promptly each morning. Every lesson in these final weeks contributes meaningfully to their progress.

If your child is unable to attend due to illness or unavoidable circumstances, please contact the school at your earliest convenience.

Thank you for your ongoing support and commitment to your child's education. Together, we can ensure that these final seven weeks are productive, positive, and successful for every pupil.

Yours sincerely,

Assistant Headteacher
