What is cyberbullying?

Cyberbullying is bullying that takes place online. Unlike bullying offline, online bullying can follow the child wherever they go, via social networks, gaming and mobile phone. A person can be bullied online and offline at the same time.

If you share it, you are involved

If you have, or forward an indecent image of someone under 18, it is a criminal offence. It can affect your future.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.
