

March 2025

Dear Parent / Carer,

## Admission to The Appleton School: September 2025

I am delighted to hear from the Local Education Authority that your child will be joining The Appleton School in September. The school is once more over-subscribed, with more parents wishing to send their children here than we can accommodate.

It is an exciting time to be a student at The Appleton School with examination results at extremely high levels at both Key Stage Four and Sixth Form and over one hundred extra-curricular opportunities available to students every week. The school is going from strength to strength and we look forward to welcoming your child in September.

I thought it might be useful at this stage to provide you with details of our induction program which will take place during the Summer Term.

Our firm belief, at The Appleton School, is that one of the reasons for the high achievement of our students is that a close partnership exists between home and school. Two events which help to establish such a partnership are:

### Welcome Evening for Parents: 12th June

An opportunity for parents to get to know the school and learn about arrangements for school uniform and the first day in September.

### Welcome Days for Students: 24th and 25th June

A day when we ask Primary Schools if your child might spend two days with us in order to be with the children in their new tutor group, meet their Form Tutor, experience some taster lessons and learn to find their way around the school site.

If you would like to discuss any issues relating to the admission of your child to the school, please telephone the school office during office hours.

I, and all of my staff, very much look forward to working with you over the coming years and please be assured more information about our induction program will be shared with you in due course.

Yours sincerely

Ms S Cox  
Headteacher
