In order to be successful at KS5 you will need to do lots of independent learning and take accountability for your learning. These tasks will allow you to apply your learning to the real world and explore the impact of the theory and concepts you have been learning in your subjects.

You will find below some suggestions for activities you could do throughout the year. Some of them are one-off tasks, but some of them, such as watching news bulletins and reading magazines, should become regular habits. Keep this learning log and all your evidence. This independent learning will stretch and build on your capability in this subject.

Task (in no particular order)	Completed (date/s)	Evidence seen (date/s & teacher's initials)
<i>Task 1: Read 'A Little History of Literature' by John Sutherland.</i>		
<i>Task 2: Read and make notes from 'Freedom or oppression? The fear of dystopia' by Mike Ashley. Text can be found for free on the British Library website.</i>
