

Congratulations!

The Appleton School congratulates the summer 2021 Sixth Formers on their A-Level and BTEC examinations.

We could not however be more proud of each and every one of our students. They have faced challenges that no other groups of students have had to face in recent times and are walking away with skillsets and knowledge that will support them achieving at a wide range of top universities. We wish all of them every success in their university courses or employment opportunities.

Students in our 2021 Year 13 cohort achieved an excellent set of results:

- 99% of students achieved A*-E A-Level passes.
- 82% achieved at least one Distinction grade level at BTEC Level 3.
- The average Academic grade was B.
- The average Applied General grade was a Distinction*.
- 90% of students who applied for university secured their top choice university.
- 25% of students gained a place at a prestigious Russell Group University.
- 69% of Year 13 students went to university, 31% found employment and or gained an apprenticeship.
- 97% Academic Retention rate, 99% Applied General Retention rate in Year 13 (the percentage of students who get to the end of their study programme).

Highlighting the breadth of talent at the school, students are progressing onto diverse university courses such as Medicine, Law, Economics, Anthropology, Physics with Astro physics, Cyber Security, Geography and Midwifery. There were also a number of impressive individual performances, for example:

Emily Perry will be studying Computer Games Development (with a placement year) next year at Staffordshire University (Stoke Campus) after achieving a number of the highest possible grades she could as an A-Level student at The Appleton School. She earned an A* grade in three of his subjects; Computer Studies, Maths and Further Maths, as well as an A grade in Physics.

Nicolas Punga achieved an impressive three A* grades in Maths, Further Maths, Physics and an A grade in Computer Science as an A-Level student at The Appleton School. Nicolas will be studying Mechanical Engineering at the University College of London.

Elliot Smith will be studying Physics with Astrophysics at the University of Manchester next year after picking up excellent A-Level results at The Appleton School. He achieved two A* grades in both Maths and Further Maths as well as an A grade in Chemistry and Physics.

Georgie Musson achieved two A* grades in Mathematics and Psychology as well as a Distinction* in Performing Arts and is looking forward to studying Financial Mathematics at the University of Greenwich.

There were double celebrations for twins Luke McCoy and Kieran McCoy gained a Distinction* in BTEC Sport and two A* grades in Business Studies and Psychology and two Distinction* grades in BTEC Sport and two A grades in Business Studies and Psychology respectively. Luke is going on to study Banking and Finance at Leeds University and Kieran is off to study Management at Loughborough University.

Brianna Lawal was delighted to achieve Distinction* Distinction* in BTEC Sports as well as an A grade in Psychology and a grade B in Biology and she is looking forward to studying Physiotherapy at Kings College London, University of London next year.

Grace Sullivan is looking forward to studying Physical Education with QTS at University of Brighton (Eastbourne Campus). Grace achieved Distinction* Distinction* in BTEC Sports as well as an A grade in Business and a grade B in English Language.

University of Brighton

We wish all our Sixth Form students every success with their upcoming applications for UCAS and apprenticeships.
